INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and a designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

For share of money appropriated for the Eastern Cherokee Indians by the Act of Congress approved June 30, 1906, in accordance with the decrees of the Court of Claims of May 18, 1905, and May 28, 1906.

No. 299-6

Mary Brophy, after being first duly sworn, deposes and says:

I am 40 years of age; was born in Quincy, Ill. He I claim Cherokee Indian blood through Jack Downing. I think was at one time a Cherokee Chief. He was my great-great-grandfather on my mother's side. Mary J. Corbett was Jack Downing's ~~grand~~ grand-daughter and my grandmother. My mother lives in Cartersville, Mo. and has made a claim for participation in this fund. I have seen my grandmother, Mary J. Corbett. She lived five or six miles from here in the Cherokee Nation. She lived with the Indians. My grandmother and mother tried to get a Cherokee allotment in 1880. They employed several lawyers and paid out considerable money trying to get this allotment. I have always understood that they were too late to get this allotment. My husband paid a lawyer \$25 to get an allotment about the time of the settlement. This was eleven or twelve years ago. My mother nor grandmother ~~never~~ never received any Indian money from the government. I have never received any Indian money. I do not remember where my mother lived about 1850. My mother never lived with the Cherokees as a recognized member of the tribe. I have never been allotted as a Cherokee and never been enrolled with them.

Dear Sir,

Thank you.

You state in your application for admission in the United States that you were expelled, but that the reason for this was a friend. Please tell me the name of this man, how long he was a friend, when he failed to enroll you, and other information concerning him. After what you are able to give?

What about your parents and your grandparents, are they expelled? Are any of your friends ever expelled?

Give me other information you are able to obtain from the United States in this regard.

Very truly yours,

Wm. H. Hall.

Inspector.

Sir:

Receipt is acknowledged of the Eastern Cherokee Application of Sallie A. Rampley, together with her minor children, which same has been placed on file.

Accompanying this application is a supplemental application signed by her husband, Elifus T. Rampley. It does not appear, from the records of this Office, that he has filed an original application for himself, nor does it appear whether or not he is an Eastern Cherokee. In case he wishes to make application for himself, it will be necessary for him to fill out the enclosed blank and return to this Office without delay. In case, however, he is not an Eastern Cherokee, and wishes merely to make application for his children, this will not be necessary, as the application made for them by his wife, Sallie A. Rampley, is sufficient.

In case you send any more applications to this Office, it is requested that you endorse them with your name and address in the usual manner in which attorneys endorse legal documents.

Kindly give this matter prompt attention.

Dear Sir:

Relative to your application for membership in the National Border Guard, please advise me, your parents and your grandparents, were they ever enrolled? Were any of your relatives killed?

Give me other information obtainable relative to the National Border Guard.

Your reply will be appreciated.

Ma'am.

Relative to your application for participation in the Eastern Cherokee Fund, please give the date of your mother's birth. If you cannot do so, indicate how old she was at the time of her death.

Was your father a white man? Did he have any Cherokee Indian blood? Was your mother recognized where she lived as a white woman or an Indian? Did she live with the white people or with the Indians? Did you ever hear of her living with the Cherokee tribe? If so, state where and when. When you were born were your parents living with the white people or with the Indian tribe? And at that time did your father own land in Georgia?

Indicate through what generation you claim and give him or her full name. Was your mother, or your grandparent through whom you claim, ever enrolled? If so, state when and where.

Have you ever been your mother's claimant in 1891, 1906 or 1911, and where was she living in 1891?

Did you ever hear your mother say of the Indians that they were from Georgia? If so, what did she tell you in regard to that matter? Have you ever and your mother lived in that State?

Phillip J. Costner, being first duly sworn, deposes and says:

My name is Phillip J. Costner; I reside at present, 21. I was born in St. Clair Co., Ala. in 1883. I claim relationship to the Cherokee Indians through my mother, Elizabeth Choler, whose name "Che-wa-ler" and she was also known as the Cherokee Indian. I mother claim through her father and mother, who were Cherokee Indians. I grand father's name was Harry Choler and my grand mother's name was Alice, I do not remember her first name. My mother was either born in Shelby Co., Ala., or Dallas Co., Tex. My father was born in Spartanburg, South Carolina. My mother's mother was full-blooded Cherokee Indian and my mother's father was a half Cherokee Indian. My mother changed off in that she was a Cherokee Indian; she recalled an Indian very much and she could speak a little Cherokee language. When I was a boy I lived among the Indians in St. Clair Co., Ala., and understood the Cherokee language somewhat. In 1881 my parents lived in St. Clair Co., Ala. My mother was born about 1847. My father and her people lived in Shelby Co., Ala. until 1875, then they moved to St. Clair Co., Ala. My grandparents also lived in Shelby Co., Ala. I have often heard a story of the Indian and heard her say that she was related to one full-blooded Indian who was killed, and she was a Cherokee Indian. I left my parents when I was about 12 years of age, and went to live with my mother and father in 1897, and I did not see my mother until about 1900, and I have seen her since that time and have heard her say that she was related to one full-blooded Indian who was killed and she was a Cherokee Indian. I have often heard her say that she was related to one full-blooded Indian who was killed and she was a Cherokee Indian.

1. The first part of the paper is devoted to a general discussion of the problem of the existence of solutions of the system of equations (1) for arbitrary values of the parameters α and β . It is shown that the system has solutions for all values of the parameters α and β if the function $f(x)$ is continuous and has a bounded derivative.

$$\begin{aligned} & \frac{dy}{dx} = f(x) + \alpha y + \beta y^2 \\ & y(0) = y_0 \end{aligned}$$

Eastern Cherokee Enrollment No. 29598.

Dear Sir:-

Referring to your letter of the 4th. inst we regret that our letter of 31st. August last was not more explicit. Mr Witt has asked us to write you again in the matter. He wishes to know when you expect this fund to be disbursed and if possible an estimate of the amount he may receive.

We beg to record that this bank is not interested in any way. We merely ask for this information at the request of Mr. Witt.

Thanking you in anticipation,

I am,

Yours faithfully,

Manager.

W. F. Sibron, Manager,
The Canadian Bank of Commerce,
Red Deer, Alta., Canada.

Sir:

Your letter of September 13, 1909, making inquiry relative to the claim of Tipton Witt, is at hand.

In reply you are advised that I am unable to say, at this time, when the Eastern Cherokee fund will be distributed, but probably not until the first of next year.

The amount each claimant enrolled will receive cannot be determined until the exact number of claimants is ascertained and the final roll approved by the Court. However, it will hardly amount to over \$135. each.

Mr. Witt will receive due notice of when the payment will be made.

Very respectfully,

Special Commissioner.

Madam:-

Replying to your letter of recent date, relative to when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees will be paid, you are advised that the applications have not been taken up for final consideration, as the Court in its order of April 29, 1907 extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each one will receive.

As there are already over 33,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

NLC.

Special Commissioner.

Sarah Ann Fuller, being duly sworn, deposes and says:

My name is Sarah Ann Fuller. My age is in the 70's. It is about 76 years. I think I was born in either Alabama or Georgia. I came out to Missouri in 1849 or 1850. I was a child when we left Georgia and went into Tennessee. I was never enrolled that I know anything about. I was in Missouri in 1861. I did not get the strip payment. I was not enrolled by the Dances Commission. I did not make application. I do not know why we were not enrolled. My father and my grandfather were white men. I got my Indian blood through my mother and she was a Cherokee. I think she was at least a quarter-blood. She has been dead 16 years. She came out west with us. She was not enrolled in 1861. I do not know whether she was enrolled in 1865 or 1861; I never heard her say she was. Her name was Nancy Latty. Her maiden name was Latty and she married a Latty. She was never known by any other name. Her mother was Francis Scott; she married John Latty. I have no brothers or sisters living. My brothers and sisters were William Latty; he lived in Arkansas. Another was Fleming Latty; I have never heard of him since the war ended. He did not come west. James and Ellis Latty were two more brothers. There were none of them enrolled. William tried for a right with the Dances Commission but never got it. They probably had no Indian name. My mother had a host of brothers and sisters. One of her sisters was enrolled. Her name was Sarah Webb, nee Latty. He told me that she was enrolled. She was not known by any other name. I do not know where she was living at the time of her enrollment. She always remained east of the Mississippi. Her husband was ill and they could not come west. There was Lucinia Latty, nee Latty; they never married; Susan married a Miner; she was married since 1861. My mother had a brother John, Allen; Allen lived in the Territory in 1861; he came with the migration; he had a son Joe and a daughter Ellen. My mother had a sister named Peggy, who never married, who lived in the Territory. Another brother was Jefferson; he lived in the Chickasaw Nation the last I knew of him. He lived in Missouri and also in the Territory after the war. I don't know that he did not live in the Territory before the war. I don't know if he was my mother's brother, and Diver was his brother's name. He lived in the Territory. Uncle Tash died in time of the war. I don't know any more. (216, 218, 219 line.) The Indians were the only kind of people that I used to associate with when I was little. The Cherokees were the only Indians I know anything about. My mother's mother's name was Francis Latty. She had a brother John Scott; there was an Abraham Scott, but I don't know whether he was a brother. My two uncles came out when the Indians were moved here. My daughter's name is Mary Ellen; Francis Fuller is her daughter. My name was always the little.

Louise L. Camp being first duly sworn, deposed and says:
I was born in 1871 in Cherokee Co., Ga. I claim Indian blood through my mother and her father. I claim to be connected to the Cherokee tribe. My mother died in 1884 and was near 74 years old when she died. My grandfather was born and raised in Cherokee Co., Ga. My mother and my grandfather were recognized as ~~xxxx~~ Indians. They lived part of the time with the Indians and part of the time with the white people. I never heard of my grandfather living with the Indian tribe. ~~xxxx~~ My mother and my grandfather never got a pension or land from the Govt. on account of their Indian blood. If they were ever enrolled I never heard of it. In 1851 I was living in Cherokee Co. with my mother. My mother and I were living in Cherokee Co. in 1851. I don't know why my mother and I were not enrolled in 1851 and 1852. My mother went away and visited the Indian tribe, but she did not live with them. My father was a white man. I had a brother born in 1879. I never heard of other people of a treaty with the Govt. made with the Indians in 1856. I know that the Indians were driven away from this country. They did not drive my mother and grandfather away. I don't know why they were not driven away. My mother told me that she lived with the Indians, and she went away with them. I don't know the name of the Indian who was a Cherokee blood. I never lived with the Indians at all, and my mother never lived with them after she was married. My mother died in the Co., Ga. in 1884.

Sirs:-

I write you in the interest of Mrs. Idella Headspath, thinking that perhaps I could make her Identity a little more plane than the enclosed Application; She was married to John Young July 28th. 1886 at Bermingham, Alabama, and to this union was born the Seven children numerated in the enclosed application, Mr. Young died June 3rd. 1902, since that time Idella Young was married to Mr. Isaac Headspath and have one child.

Since Mrs. Headspath's marriage to Young she has continued to drift away from her people and it is difficult for her to answer all the questions as they should be, however she has done her best and I sincerely hope that her application will not pass unheeded, as she is a most deserving lady and in my estimation is worthy of your fullest confidence.

No Sir I do not.

Mr Miller I was real glad to hear from

think the money will be paid? and this
thing be settled? I would be very glad
if they are going to prove or find out

Appl. 130042

Sarah M. X. Heber, being first duly sworn, deposes and says:

My name is Sarah M. X. Heber. I live at 156 Jefferson Street, Atlanta, Ga. I was born in 1861 in Dawson Co., Ga. I claim Cherokee Indian blood through my father and my mother. I claim through my father's father and my mother's father. My father died in 1894 and was 61 or 70 years old when he died. My mother died in 1864 and was born in about 1836. My father's father was born and raised in Dawson Co., Ga. I have heard him speak about being in the Cherokee Nation or on my mother's side was born in Pickens Co., S. C. My father and mother and my grandfather so far as I have heard never lived with the Cherokee tribe. I never heard of them getting any money or land from the Govt. on account of their Indian blood. I never heard of them being enrolled. In 1882 I was living in Dawson Co., Ga. I don't know why I was not enrolled at that time. Most of my Indian blood is from my mother's side. My grandfather, Richard Green, ~~Richard Green~~ had the following brothers, Roland, Lash, and Ed. I don't know whether I ever heard of a Treaty the Government made with the Indian in 1835. None of my father's people went west as I know of. I have heard that the Indians were driven west. My grandfather told me that the land there belonged to the Indians and it was taken away from them, and they were driven away. My grandfather, Green, died in 1860. When I was about five years old I went to live with my grandfather Green, and lived with him until I was about 16 years old. I don't know whether I ever heard him say anything about living with the tribe or not. I don't know why my grandfather was not sent out west with the Indians.

APP. No. 30048

January 29, 1908

Hon. Thos. Tait Tunstall,
922 Dauphin St.,
Mobile, Ala.

Sir:-

Relative to your application #30048 to participate in the fund appropriated by the Act of Congress June 30, 1906 in favor of the Eastern Cherokee, you claim your Indian descent through the Weatherford, Sizemore, Stiggins, Meniac and Williams Indian families. Will you kindly advise this office at your earliest convenience, what relatives or ancestors so far as you can remember, were connected with or related to the Sizemore family just mentioned. It appears in this investigation that many claimants make reference to the Sizemores from whom they get their ancestral Indian blood, and as their rights to participate in this fund may largely depend upon their alleged relationship to the aforesaid Sizemores, this office is especially anxious to ascertain as fully as possible by those living, who would be likely to know just who these Sizemores were.

Did you know a so-called Old Red Sizemore or a Mr. John Beard Sizemore, and were they any relation to the family or tribe just mentioned? Would you advise some of your Indian blood?

A number of claimants in eastern Alabama to participate in this fund, have made reference to a so-called Red Jacket Treaty. Can you advise this office at or about what time such a treaty was

T.T.T. - 2

made with the Government, and to what tribe of Indians did it have reference. There does not appear to be on the records here, any reference to a treaty by that name. An old Indian Chief by the name of "Red Eagle" appears to have figured in one of the early treaties. By getting his name "Red Jacket" through error, may it not in your judgment have been this treaty to which these present day claimants refer?

An official envelope is herewith enclosed and an early reply will be appreciated.

Very respectfully,

Special Commissioner.

Honorable Joseph F. Johnston,
United States Senate,
Washington, D. C.

Sir:-

I am in receipt, by reference from you, of a letter from Colonel Thomas Mait Vanstall, of Mobile, Alabama, relative to his application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokee.

In reply to the inquiries contained therein I have the honor to state that an appropriation was included in the General Deficiency Bill of June 30, 1896, amounting to a little over \$4,000,000, in payment of this judgment of May 23, 1903.

On April 28, 1907, the Court of Claims entered an order directing that the fund arising from the decree of the Court of May 23, 1903, should be distributed per capita to all Eastern Cherokee Indians living on May 23, 1903, either east or west of the Mississippi river, who shall establish the fact that they were members of the Eastern Cherokee Tribe of Indians at the date of the Treaty of 1835-1841 and 1842, or, are descendants of such persons. Claimants are also required to establish the fact that they have not been affiliated with any other tribe of Indians other than the Eastern Cherokees or

#2--Hon. Joseph E. Johnston:

the Cherokee Nation.

It is impossible to state, at the present time, when this fund will be paid, or the amount each successful claimant will receive.

When this office has completed the examination of the applications, grouped them into families, and in many cases where the applications and other proof are insufficient taken testimony in the field, the roll will be submitted to the Court of Claims for its approval, when time will be allowed for the filing of exceptions. If many exceptions should be filed, further investigation may have to be made, and until the final roll has been approved by the Court no money can be distributed.

As there are over 44,000 applications on file in this office it will necessarily take considerable time to complete this work.

It is now too late to file applications for participation in this fund, except on behalf of minor children, as the time for filing applications expired August 31, 1907.

On looking up Mr. Marshall's application I find that Mr. Miller, Special Commissioner, has been sent with him to the field, and will probably call on Mr. Marshall within the next few days.

Very respectfully,

Very respectfully,

Sir

Your letter of July 15th 1908 informs me that 44000 applications have been filed for a distributive of the \$4000.000 of money for the Indian people and people of that blood. Your letter of earlier date states that my claim or application filed is 30048 and will be considered in its order.

I write not only in my own behalf but in behalf of a number of applicants who are kindred of mine to know what progress is being made in this voluminous work. I am anxious to know what are the prospects for an early and final distribution of this fund. I am sorely interested in the matter as I will be eighty six years old on the 8th of April and am desirous to receive my share of this fund before I shuffle off this mortal coil as after that event it will be of no use to this your fellow citizen. I enclose you

App. No. 30048.

January 12, 1909.

Tom Tate Tanstall,

922 Dauphin Street,

Mobile, Alabama.

Sir:

I am in receipt of your letter of January 6, 1909, making inquiry as to the status of the enrollment of the Eastern Cherokees for participation in the fund arising from the judgment of the Court of Claims in their favor.

In reply you are advised that I am making every effort to complete the enrollment so that I may make my report to the Court during the month of May next. The Court will no doubt then allow a reasonable time for the filing of exceptions to my report, so that it does not seem probable that distribution will be made before next fall.

Until I make my report to the Court I cannot with propriety disclose what action I will take in any particular case.

With best wishes, I remain,

Very respectfully,

Special Commissioner.

GETS 66 CENTS IN 45 YEARS.

Vicksburg Blockade Runner Receives Prize at Last.

(Special to Philadelphia Record.)

Franklinton, Pa.—Fred Claus, a Civil War veteran, is convinced that, while Uncle Sam may be a little slow sometimes, he will, if given time, pay his honest debts.

Claus was a member of the crew of the Union gunboat Tuscumbia, which, after running the Confederate blockade at Vicksburg, captured a quantity of cotton at James Landing, in 1863. He has just received a warrant for 66 cents, his share of the prize money.

AFTER FORTY YEARS.

(Philadelphia Record.)

During the Civil war, when Benjamin Franklin Butler was running things in New Orleans very much after the Castro style in Venezuela, on his demand the Citizens' Bank of Louisiana turned over to him a deposit of \$215,820 made in the bank by the Confederate government. The deposit was made in Confederate paper money, but Butler refused a tender of this money and compelled the bank to pay him by draft on New York in United States money. The money was afterward turned into the federal treasury, and there it has remained to this day.

This high-handed proceeding of Governor Butler admitted of no justification; but the bank has been for the past twenty-five years appealing in vain for repayment. President after president has admitted the merit of the claim. Twenty-five reports have been made by senate and house committees favoring reparation. Favorable opinions have been given by attorney generals. Five times the senate passed a bill providing for repayment. But final action was balked by Representative Thaddeus Mahon, of this state. Now that his constituency has concluded to dispense with further service at the hands of Thaddeus, both senate and house have passed the belated bill and it is in the hands of the president. He will surely sign it.

Even Ben Butler, if he had lived to see it, would have rejoiced in this act of delayed reparation.
